Product Safety Recall

BABY'S FIRST LUV & HUG (BLUE & WHITE)
19500569 / 11850

Sold at Toymate 2019-2020

Defect:
The dummy attached to this product has an opening at the rear of the teat which does not permit a suitable cleaning brush to penetrate all inner parts of the teat to enable the teat to be completely cleaned and sterilised. The pack also does not include specific instructions as to how the dummy is to be completely cleaned and sterilised.
The safety warning is missing from the packaging of the product and as such may be a risk to the user.

Hazard:
Your child could become sick from the unsterilised dummy.
The correct safety warnings were not provided and as such the product may be a risk to the user.

What To Do:
Consumers should stop using the product and contact their nearest Toymate store to return the product and receive a refund. Alternatively, you can contact Toymate online: www.toymate.com.au

Contact Details:
Consumers can contact Toymate customer service for details on your nearest store or for further details regarding this product recall.
