

Product Safety Recall

Junior Sunflower Pool/Sandpit

Sold at Toymate Stores between October 2020 and December 2020

SKU: 20002043

Defect: The safety warning label is not compliant as it does not contain the required warning information as set out in the *Consumer Goods (Portable Swimming Pools) Safety Standard 2013* and as such may be a risk to the user.

Hazard: The current safety labelling does not provide the correct safety warnings which may be a risk to the intended user.

Action Required: If purchased at a Toymate store between October 2020 and December 2020 consumers should immediately cease using the product and return it to their nearest Toymate store for a full refund or exchange for a different product.

Contact Details: Consumers can contact Toymate customer service for details on your nearest store or for further details regarding this product recall.
