

# Product Safety Recall

## **Little Tikes 3-in-1 Activity Walker**

**Affected Batch Numbers: V40J091H, V40J271 and V40K271H**

Sold October 2020 - June 2022

**Defect:** In some circumstances locking pins to keep the A-frame shape of the walker in place may disengage

**Hazard:** If the defect occurs whilst in use the walker can collapse causing the child to fall

**What to do:** Customers should check their walker for the batch number found on the underside of the walker close to the battery compartment.

Customers who have a walker from the affected batches can contact MGA Entertainment to receive a replacement walker

**Contact Details:** You can contact MGA Entertainment Australia by emailing at: [au-customerservice@mgae.com](mailto:au-customerservice@mgae.com)
